RULES UNDER WHICH WORKS CAN BE EXECUTED IN THE DEHREE WORKSHOP.

All parties requiring work to be done in the Dehree Workshops are requested to send full instructions as to dimensions and description of work required, in order to facilitate the preparation of designs and estimates. If drawings of the work are already in existence, it would be better if copies of them were sent, the dimensions being plainly figured thereon.

2. Government work done for Government officers will be paid for by transfer in the usual manner through the department for which the work is done. Notice of completion will be sent to the indenting officers, whose instructions for forwarding the articles to their destination will be attended to.

3. When extensive orders are given by private individuals, advances may or may not be required, at the discretion of the Superintending Engineer, before such work can be put in hand; but it is to be understood that all private work is undertaken for cash on delivery, and that credit will not be allowed.
